Case number: 1:05-CV-10975

From : Pierre H. del Cadet  
To : Judge Fathi B. Saris  
Date : 10/24/05

Case number : 1:05-CV-10975-PBS

Dear Judge,

I think to write you this letter to can repeat something to you in a sentence only because I feel you think I lie to you about my complaint. I would not take chance to lodge a complaint like that against somebody if it was not true. I could not ask you to send a letter to the Headmaster, submasters, security officers, some teachers, custodians and some students who were eyes witness of those bad treatments I used to receive from Raoul and Gislaine Bonbon.

So, the think I am asking you to do on the day of the judgment is that, if you find I lie to you about my complaint, send me to jail, please!

Sincerely,

Pierre H. del Cadet

Among all the students I asked the judge to send letter to come to say what they used to see and heard between Pierre H. Cadet, Raoul and Gerlaine Bonbon, by how many bad names they used to call me, how many bad treatments I used to receive from them from October 2002 to May 2005, those of the following are the most important because it was them who were the first eyes witness of those things Raoul and Gerlaine Bonbon kept doing to me such as: put book on my desk to call me robber, stealer, zinglindoo, Tonton Makout, massissi, poking me with pencil, pen, ruler and knock me etc.

students name: wilguens clairsainvil, claudel chevry, Philvil Daniel, Fabiola Jean, Bernadette Jean, charlenes saintilus. If the judge wants, she can send letter to all the rest of student, but those above are more important. If she wants she can choose some of the rest or other students to send letter too.

On the day of the judgment, if the judge find I lie about my complaint, she can close her eyes and order security guard to arrest me and send me to jail.

I don't have problem with any kind of decision she wants to take against me, if she remarks I lie to her.

Pierre Michel Cadot 

If really you feel I lie to you about my Complaint, you can still do "the summons" "I don't have any problem with that. If you become find I am wrong, send me to fail! I ask you to do that because the letter you send to me make me feel bad. I remarked you have doubt about my complaint and you are not happy either with my behavior by asking to change and cancel something in my complaint now and then. I supplicate to still do it if you want, <sup>and</sup> think my complaint is untrue & that you can find more prove.

I would like you to put those things of the following exactly like that in the letter you will send to each of them if you still agree to do "the summons".

Don't forget you Ravel Bonbon, how you become make every body at Redford high hate Pierre Cadet such as: students, teachers, Headmaster, submasters, custodians etc by calling him rubber, stealer, zongindoo and many other bad names. Pierre becomes regret to come to the united states because of those things you used to do to him. You feel proud to do those things to him and you never stop.

You degrade Pierre Michel Cadet by calling him bad names and tell the Haitians students to continue to debase him like you began since on october 2002, all over in Redford high school, make everyone knows him by those bad names. You gave him many bad grades and made him receive many bad grades from some teachers who became hate him because of those bad names you made them know of him.

You used to tell him, he does not have value, character. It was a pride for you to tell him those thing and all the entire leading at Redford high school agree with your behavior towards him.

Many of the students who were eyewitness of those things will receive a letter from Federal Court to come to answer some questions about all bad treatments Pierre Michel Cadet used to receive from you since on October 2002 that is the beginning of those things to May 2005. When you Raoul Bonbon used to leave your desk many times to go get an America's story book on a table in the back of your class and come to put it on Pierre Cadet's desk to call him bad names, knock and poking him. Sometimes, you used your Mathematics book to put on his desk to harass him, call him bad names.

When you Gislaine Bonbon, planned with your brother Raoul Bonbon two times to come to put book on Pierre's desk to call him bad names and knock him.

All the leading at Redford high school were accessory to those things and are responsible because instead of doing something in favor of Pierre Cadet, all of them put themselves together with security officers, students, teachers, custodians and some employees against him.

Soon, the Headmaster, all the entire submasters, some teachers, students, security officers, custodians will receive a letter to come to answer some questions about you and Pierre H. Cadet's case.

Sanction will take against all the entire leading at Redford high school if one of those students does not receive and appear on the day of the judgment. This means that, as soon as they receive those letters from Federal Court, they have to send them to the parents guardians of each student, home address without missing one who were eyewitness of those things Raoul and Gislaine Bonbon used to do to Pierre H. Cadet from 2002 to 2005.

If really you still agree to do "the summons" when you finish to type those things on computer, I would like you to send a copy to me so that I can make sure you accept to do it. If you find I am guilty, I am asking you to close your eyes and send me to jail.

I should not file a separate complaint against Mr. P. I want because I is the same story. I should ask you to send a letter to him to answer some question and if I ask you that you would accept. The more I talk, the more I say some thing I should not say, The more I ask to cancel, to change some thing, the more I complicate my complaint. That is what I saw when I finished to read your letter.

So, if my complaint was not true, how could I ask you to send letter to each of the leading like: Headmaster, submasters, my guidance counselor Ms. Lola Lombardo and security officers, some teachers, custodians and students who were eye witness of all those things from September 2003 to May 2005. You will not heard only my voice on the day of the judgment. You will have to heard all the witness's voices, and the defendants too, and if I am wrong, you will see that. I don't why you became think like that

To be clear with you I don't have any problem with any decision you want to take against me if you find I am guilty. I could not do something like that if those things were not true. That is why I ask you "if you want you can still do the summons."

If you still agree to do it, during the summons time, I would like you to prepare letter to send to every body: Headmaster, submasters, my guidance counselor Ms. Lola Lombardo, custodians, security officers, interpreter, teachers and students who were eye-witness. And if you find I am wrong, send me to fail!

I don't really need interpreter, even if you see I asked that. I don't really care about that. I can do that by myself. You can forget that. You can see that too when you read my writing. If somebody can lodge a complaint against some one else is because he feel comfortable to represent himself. I talk about many things I should not talk, that is what happened to me and I feel you are not happy with those kinds of behavior.

On last Tuesday 15 of September, I want to lodge a complaint against three people because of fraud about the MCas exams. The case number is: 05-12088-PBS. Between 4 and 5 o'clock while I was entering in my house, I check the box mail and I found a letter from you. When I saw that, I was happy and I feel all the entire leading at Hedford high begin to worry because all of them are wrong, but it was not that. When I opened the envelope and read the letter I saw some thing I did not expect and the way you talk to me make me feel you have doubt about my complaint.

The reason I asked you to cancel the one I lodged against Mr. Pierre Vincent is that I saw it will be very difficult for me to find his first name, but it was not. I knew him only by his last name. I found it easily, a way I did not ever expect, and I even found his home phone number: 781-209-1970.

When you saw I said "it is a great error I commit by adding Mr. Pierre Vincent in my complaint" it does not mean it is not true, but it was because I saw you dismissed it because of his first name I did not know. This means that if I did not file the complaint that way with only his last name, you would not dismiss it. I became regret to do it like that. That is why I said those things to can show you how I was not feeling good with the dismissal of my complaint. But when you read the letter you interpret it another way and became have doubt about my complaint. The way I thought while I was writing the letter, it not like that you saw it. That is why I say if you want, you can still do the summons to can find prove. I don't have any problem with that. If you don't do it, it is not my false. It is because I want to repair all these mistake by asking to change this, to cancel that I ask you to do it to can find prove.

If really I did need a lawyer I would find one already because there are lawyers everywhere in Massachusetts. There are some of those I check who used to handle cases like mine but some of them were not interested to my complaint. They told me to contact the department of education. I stop checking since in the middle of July. Now I am waiting for the date of judgment to can check one. If I don't find, I will do it by myself without interpreter. If I could not represent myself really, how can I come to lodge complaint against them.

Case 1:05-cv-10975-EBS Document 15 Filed 10/31/2005 Page 9 of 15  
So there was a big mistake, I should not say, "They don't make sense." They become embarrass my complaint, and because of them you become have doubt about it. That is why I told you, you can still do the summons if you want to can find more prove, and repair those mistakes.

In my last letter, I remark I should not say "It is a great mistake I made when I add Mr. Pierre Vincent in my complaint." This sentence was not good. It is because of it you become have doubt about my case when I asked you to cancel it. I should talk with precision.

Here what I saw I should say when I asked you to cancel the one I lodged against Mr. Pierre Vincent after read your letter.

"I think it will be difficult for me to find his first name. Can you forget or cancel that complaint and reconsider only the one I lodge against Raoul and Gislaire Bonbon. Please! Only this sentence would be much better and more explicit than all of those I wrote in the letter where I said: "It is a great mistake I did by adding Mr. Pierre Vincent in my complaint. A letter I ask to send to him to come to answer some questions would be better than to file a separate complaint against because this is the same story."

The other bad sentence is: "I would like you to cancel the complaint I lodge against Mr. Pierre Vincent so that if I check a lawyer, he does not need to see if my complaint was dismissed because of that or because I did not know his first name." So, those two sentence became embarrass my case and make you think it is untrue. Moreover, I would like you to forget the interpreter I asked. I will represent myself. I don't need that anymore. You don't need to be afraid for me. Because I saw you think my case is untrue, I would like you to focus only to the summons if you still agree to do it to can find prove, and if you don't find prove of my case after the summons you can send me to jail. I don't have any problem with any decision you want to take against me if you find I am wrong.

If you still agree to the summons because I feel you have doubt about my case, I would like you to add those thing of the following you will send to each of them for that.

Don't forget how you deteriorate Pierre H. Cadet at Redford high and make every body hate him by calling him stealer, robber, massissi, gang zinglindoc and many other bad names. You Raoul Bonbon have powerfull. You are above all the leading at Redford high. You have so many power, you even used to close your class door in Mr. Paul Krueger is face the Headmaster. Don't forget how many times you left your desk and go get an America's story book in the back of your class to come to put on Pierre's desk in front of many students to call him stealer robber, zinglindoc, gang knock him and poking him, how many times you left your desk to walk and run around your class and call: block, block, block the stealer, block the block the robber, block Pierre Cadet, here the stealer, here Pierre Cadet, help me to keep Pierre Cadet, keep the robber, keep the robber, how many Times both of you stretch your hand over Pierre H. Cadet to call him by those bad names.

Raoul used to do those things to me in his class and <sup>certain</sup> used to do that to me anywhere around the Hallway.

I become regret when I asked to change the Federal rule of civil procedure. even if you see I send two letters about that. I should not do that. Among all the other requests, this is the first request when you think to the way I ask you to cancel and change, you become feel my Complaint is untrue. To can repair all those bad requests, I supplicate you to do it as soon as you finish to read these papers I mean if you want, you can still do the summons. In your next letter, I wish you will tell me you already send the paper of the summons to each of them. I really regret to do that.

So, both of them have to come to the court to file a Complaint against me to can prove my complaint is untrue.

Fix The date of judgment: I should not ask you to fix the date of the judgment. This is not a good request, because it is you who have to decide about that. The date of the judgment will depend of the time periods that you foresee, all the witness, submasters, teachers, custodians and the Headmaster will have to receive their letter from you. I remark there are many things I ask I should not ask. I become regret to act like that by asking to cancel this, change that, to do this or that, and it was one of the reason that made my complaint was dismissed and make me embarass with it like that.

### Class Action - Federal Rule under Civil Procedure

Before a lawyer take a case he has to foresee he will win at least at 75%. If not, he can be very difficult to take a case. When I asked to change the class action, it does not mean I really needed that because I did not have any problem with it. It does not mean my complaint was untrue either.

You can change your mind by explaining something or a problem you have to some one else in which you expect to find help and the way he talk to you can make you take another decision to can resolve it. That is exactly something like that that happened to me, after talking on the phone to a lawyer in the middle of July, and he was the last lawyer I checked. After that I think to wait for you fix the date of the judgment to can check one, and if I don't find I will do it by myself without problem. He asked me the case number and checked it on computer, and saw the summons. Some hours later, when I think to the way he talk to me, I became think to ask if they can change it. Some days after mailing the letter, I saw I should not ask to do that. I did suppose to leave it the way it was.

So, because I saw you have doubt about it, I did want to ask you to put my case in the class action or Federal Rule under Civil Procedure again so that you can find prove about my complaint. This means that, I would like you to send a letter to both Raouk and Gislaime Bonbon to come to file a complaint with the clerk against me to prove my complaint is untrue. I would like you to accept to still do the summons, and I am feeling better if you make it than to see my complaint dismiss forever.

Pierre H. Bonbon

. I remark if I did not ask to cancel the class Action on the Federal Rule under Civil Procedure, maybe my complaint would not dismiss and you would not have doubt about it either. Some of things the lawyer told me became influence on me and make me think to ask to change it to another. That is not make sense.

The two last letter you send to me made me sad and think a lot. so, to can repair all those bad request from my first to the last letter, I have to return to the Federal Rule and Civil Procedure so that you can see if really I lie about my complaint or not. I wish you will accept to do that, and if you find I am wrong or guilty, I don't have any problem with any kind of decision you want to take against me. I would like you to let me know by a letter. Basel and Gislaine Bonbon already receive the letter of the summons from you. I wish that is listened! thank you before hand!

If my complaint was not true how can I ask  
 to send letter to the Headmaster, submasters, security

 that jail would not enough for me. That is why to can

 send a letter to Raoul and Germaine Bonbon to come

 you find I am guilty, I don't have any problem

The reason that make you think like that is that I  
 became say something I did suppose to say, and became  
 to ask to cancel, change something I should not ask.  
 Now it is you who have to decide by yes or no if you still  
 agree to do the summons to can find more prove. If you  
 not I will be happy. I am feeling more comfortable. I am sleeping and
